8. New Business – Action Items

a. Approval of Updated Salary Structure for Fiscal Year 2022

Please see the memo include in the Board Packet for information regarding this recommendation.

Suggested Motion: Motion to approve the salary structure for Fiscal Year 2022 with implementation to be effective as of July 1, 2021.

b. Approval of Merit Increase for Fiscal Year 2022

Please see the memo include in the Board Packet for information regarding this recommendation.

Suggested Motion: Motion to approve a standard merit increase of 2% or 85 cents per hour, whichever is greater, to 3% or \$1.00 per hour, whichever is greater, for Fiscal Year 2022 and to approve a standard merit bonus of 2% or 85 cents per hour, whichever is greater, to 3% or \$1.00 per hour, whichever is greater, for Fiscal Year 2022 for staff at or over their position's maximum salary. The level of the merit increase and the merit bonus require reaching the appropriate score in performance evaluation system in order to be granted.

c. Approval of Working Budget for Fiscal Year 2022

Please see the memo included in the Board Packet for information regarding the proposed Working Budget for Fiscal Year 2022.

Suggested Motion: Motion to approve the Working Budget for Fiscal Year 2022.

- d. Approval of Ordinance 2021-1 – Ordinance Transferring Funds to Special Reserve Fund

This ordinance authorizes the transfer of \$1,000,000 from the General Fund to the Special Reserve Fund. We would have sufficient funding in the General Fund to meet the levels recommended by our Fund Balance Policy.

Suggested Motion: Motion to approve Ordinance 2021-1 – Ordinance Transferring Funds to Special Reserve Fund.

- e. Approval of Resolution 2021-2 – Resolution Approving Authorized Signers For the Naperville Bank & Trust Safe Deposit Box

This resolution updates the names for the Board President and Board Vice President for access to the safe deposit box for the District.

Suggested Motion: Motion to approve Resolution 2021-2 – Resolution Approving Authorized Signers for the Naperville Bank & Trust Safe Deposit Box.

- f. Approval of Bee Liner Lean Services, Inc. Bid for Lower Level Renovations

We received two bids for the Lower Level Renovations project. Tria Architecture managed the process for us and evaluated the bids.

Tria Architecture recommends Bee Liner Lean Services, Inc. as the lowest responsible bidder. Please see the recommendation letter included in the Board Packet.

The amount is \$62,498.

Suggested Motion: Motion to approve Bee Liner Lean Services, Inc. Bid for Lower Level Renovations

- g. Approval of Tria Architecture Proposal for Professional Services – Exterior Lighting Replacement

This proposal from Tria Architecture will provide design, bidding, and construction observation services for replacement of our exterior lighting.

The cost of this proposal is \$21,400.

Suggested Motion: Motion to approve Tria Architecture Proposal for Professional Services – Exterior Lighting Replacement

- h. Approval of Revised Fountaindale Public Library District Trustee Ethics Policy

Trustee Newell and retired Trustee Peggy Danhof reviewed this policy earlier this year. The suggested changes are highlighted in yellow. The larger changes are in the “therefore” and the “compliance” sections.

Suggested Motion: Motion to approve revised Fountaindale Public Library District Ethics Policy.

- i. Review of Ordinance 2021-2 – An Ordinance Approving Amendments to the Bylaws of the Board of Trustees of the Fountaindale Public Library District

Trustee Newell and retired Trustee Peggy Danhof reviewed the Bylaws earlier this year. The proposed changes are highlighted in yellow. The Bylaws were also copyedited to match the style guide we plan to use for policies going forward. The Bylaws were also reviewed by our attorney as well.

Per the Bylaws, revisions may not be approved until a succeeding meeting.

Suggested Motion: No motion at this time.

j. Approval of Revised Board Liaison Descriptions

Trustee Newell and retired Trustee Peggy Danhof reviewed these descriptions earlier this year. The Board Liaison descriptions reflect one change. Personnel did not work very well as a description for the work the two Trustees did. Internal Board Operations seemed to be the best description.

Suggested Motion: Motion to approve revised Board Liaison Descriptions

k. Approval of Appointment of Secretary Audit Liaisons

Each year the Board needs to approve appointments to be Secretary Audit Liaisons. The liaisons will review the minutes of the board meetings for the previous year, and certify that the records of the Board of Trustees are in order. This certification is a requirement of the Illinois Public Library Annual Report (IPLAR).

The review must be completed by August 1, 2021.

With approval by the Board, President Kalnicky has named Trustee Marcelo Valencia and Trustee Jennifer Korb Waldorf as the 2021 Secretary Audit Liaisons.

Suggested Motion: Motion to name Trustee Marcelo Valencia and Trustee Jennifer Korb Waldorf as the 2021 Secretary Audit Liaisons.

Subj: Salary Structure for Fiscal Year 2022

The updated salary structure with an effective date of July 1, 2021 is attached. With the required change to the minimum wage in the State of Illinois, the District implemented a compensation plan beginning July 1, 2019, adjusting merit increases accordingly. In order to keep the Salary Structure competitive, the mid-point and maximum have been increased by 2%. No adjustment is being made to the minimum in order to eliminate compression of the structure.

There are no exempt or non-exempt employees who fall below the minimum for their position grade in the Fiscal Year 2022. There is no cost to the District for this change in the Salary Structure.

Subj: Merit Increase and Minimum Wage Memo for Fiscal Year 2022

The District's base starting salary is currently \$11.00 per hour. This was instituted 7/1/2020 so that the District would be compliant with the State of Illinois' minimum wage regulations as of 1/1/2021.

The chart below shows the annual increases to the minimum wage that must be met over the next four years:

January 2022 \$12.00
January 2023 \$13.00
January 2024 \$14.00
January 2025 \$15.00

To maintain the appropriate separation of pay grades on the District's salary structure, and to remain competitive for recruiting purposes, it is recommended that current staff continue to be evaluated annually and those eligible for merit increases receive pay adjustments upon their anniversary date.

For the fiscal year 2021-2022, based upon overall performance evaluation scores, merit increases will generally be awarded in the amounts of:

\$0.85 per hour, or 2% of current salary, whichever is greater; or
\$1.00 per hour, or 3% of current salary, whichever is greater

It is possible for staff members to earn more or less than these amounts depending upon their evaluation score.

It is also recommended that staff who are over their maximum salary be eligible for a merit bonus, equivalent to the merit increase earned, as listed above. It is possible for staff members to earn more or less than this standard bonus amount depending upon their evaluation. This bonus would not be added to their salary.

Subj: Working Budget for Fiscal Year 2022

The proposed working budget for Fiscal Year 2022 (July 1, 2021 to June 30, 2022) is included in the Board Packet and I would like to highlight several areas.

Revenue for the forthcoming fiscal year is projected to be \$9,492,546. This is broken down into these categories

\$9,131,922	Property Taxes
\$360,624	(Interest, Personal Property Replacement Tax, Fees for Copying, Faxing, Printing, and Per Capita Grant)

Interest income in particular is something we will be watching closely this coming year and we may need to make adjustments based on how that goes. We may use our fund balances for the capital projects in both the IT and Building budget lines below if needed.

Our salaries line shows a 6.2% increase from the original Fiscal Year 2020-2021 Budget. It is important to note that the increase also includes merit increases the Board approved midway through the current fiscal year as well as requested ones for the upcoming fiscal year. At this time we currently have two positions open in our Circulation Department and we do not plan to fill them immediately. We have also made one now vacant position in Administration part time that previously had been full time.

The minimum wage increases will continue through 2025, and the requested merit increase plan is designed to ensure that we minimize salary compression in our scale by moving everyone up. Lea and I anticipate conducting a salary study once the minimum wage increases are completed in 2025. We do have an excellent staff and this effort to move the entire scale up helps us to retain our staff and recognize their work.

I would continue to note that in previous years our staffing levels compare favorably to peer libraries in terms of population served, budget, and square footage.

The Professional Development and Training line has been partially restored. I am anticipating more opportunities for our staff to participate in in-person training this coming fiscal year.

The Equipment Maintenance line is reduced as we have eliminated a network appliance that is no longer needed. Building Operations has also assumed responsibility for the UPS in the server room.

Our Legal Expense – Attorney line is reduced. This should be more in line with expenditures we have seen this past fiscal year and anticipate for the coming fiscal year.

The Professional Services line has an increase in order for our District to embark on a new planning process in the coming fiscal year. I believe we have an opportunity to create a new strategic plan with an emphasis on how our spaces should be configured to best serve our community in a post-pandemic world.

The Office Supplies line shows a significant decline as we have a significant supply of PPE (Personal Protective Equipment) in stock and will not need to buy in quantity in the coming fiscal year.

The Programs – Children line shows a decrease as we are shifting funding to supplies. Our staff are focusing on making kits for our patrons and doing more of the programs ourselves.

The Donations Expended line is a significant decrease as our Friends have not had many opportunities to fundraise due to the pandemic.

The Outreach Equipment – Capital line is reduced as our new bookmobile has been fully paid for.

The PC Equipment line remains very significant as we anticipate replacing our core network switches throughout the library. We will also be replacing our network servers as well. The latter project was scheduled to happen this current fiscal year, but issues with a vendor have delayed this project to the coming fiscal year. Both of these projects were identified in our long term Capital Replacement Plan.

The Buildings – Capital line will cover the lower level project to address the back hallway issue identified in our last building analysis. It will also cover work to replace all of our exterior lighting and convert to LED. Both of these projects were identified in our Capital Replacement Plan, and we are hopeful that the latter will also result in electricity savings as well. In the future we plan to tackle replacing the interior lighting.

The IMRF line will be decreasing for the second half of our fiscal year as our employer rate will be declining from 10.3% to 8%.

Working Budget and Monthly Expenditure Report Overview

The working budget comparison report is comprised of the difference between the expenditure budget from the previous fiscal year and the proposed budget for the upcoming new fiscal year. The report shows the balances for different account ranges. Some budget line totals reflect the combination of departmental budgets which falls under the same overall account descriptions - see examples below. The approved working budget is entered and implemented into the accounting system which is reflected in the monthly board expenditure report. The budget is entered according to the account numbers in the system.

Each of the account numbers is made up of 7 numbers which reflects the fund type, account class type, account category; and the department.

For example,

1-4351-10 1= General Fund; 4351= Office supplies; and 10= Administration

8-4357-30 8= Maintenance Fund; 4357= Building Supplies; and 30= Building Expenses

1. The *operating fund expenditures* are further categorized into expenditure types:
 - Personnel Expenses
 - Contractual Services
 - Supplies & Utilities
 - Library Materials
 - Capital Expenditures
 - Miscellaneous
 - Grants
2. **Current Month** – sum amounts of the actual transactions based on the expenditure category for the month the report is run (listed in number 1).
3. **Year to Date** – sum amounts of the actual transactions for each account per category for the time span starting at the beginning of the fiscal year.
4. **% Expended** – ratio of Actual to Date over the Budget for each category. In other words, the percentage of budget used to date.
5. **Working Budget** – sum amount of the budget approved per category.
6. **Unexpended Budget** – the difference between budget and actual amounts for each category. This difference is Working Budget – Year to Date which results in overspending being highlighted as a negative variance.
7. **Fund Expenditure Total** – the reports reflects total expenditures per fund type which at the end reflects the total expenditure for the month for all funds.

Trustees will not engage in economic activity that involves the use or sale of information gained in the course of official duties, in addition to any applicable provisions of the State Officials and Employees Ethics Act, 5 ILCS 430/1-1 et seq.

SECTION 7. RIGHT TO INDEMNIFICATION. The Library will indemnify any present or former Trustees, officers, employees or agents to the fullest extent possible under applicable law against expenses, including attorneys' fees, judgments, fines, settlements and reasonable expenses, actually incurred by such persons relating to their conduct as a Trustee, officer, employee, member or agent of the Library, except that indemnification shall not apply to a breach of the duty of loyalty to the Library; for acts or omissions not in good faith or that involve intentional misconduct or knowing violation of the law; for a transaction from which any such person derived an improper personal benefit; or against judgments, penalties, fines and settlements arising from any proceeding by or in the right of the Library, or against expenses in any such case, where such person shall be adjudged liable to the Library.

SECTION 2. SPECIAL MEETINGS. Special meetings of the Board of Trustees may be called by the President, the Vice President, or by any four (4) Trustees.

SECTION 3. PLACE OF MEETING. The Board of Trustees may designate any place convenient and open to the public as the place of meeting for the regular meeting. The Board of Trustees shall annually prepare a schedule of meetings showing date, time, and place; shall publish this schedule prior to January 1 of each year; and shall post it in the library. The person or persons authorized to call special meetings of the Board of Trustees may designate any place convenient and open to the public as the place for holding any special meeting called by them. If no designation is made, the place of meeting shall be in the 2nd Floor Board Room, 300 West Briarcliff Road, Bolingbrook, Illinois, 60440.

SECTION 4. CONDUCT OF MEETINGS. All meetings of the Board of Trustees, whether regular or special, shall be open to the public and shall be conducted in accordance with the Illinois Open Meetings Act (5 ILCS 120/1-1 et seq.).

If by email, such notice shall be deemed to be delivered when sent to the Trustee's formal Library District email address.

SECTION 6. QUORUM. A quorum at any meeting of the Board of Trustees of this District shall consist of four (4) Trustees. If a quorum is present, the affirmative vote of the majority of Trustees in attendance at the meeting shall be the act of the Board of Trustees, unless a vote of greater number is otherwise required by law.

SECTION 7. VOTING. Each Trustee, including the President of the Board of Trustees, present at a meeting of the Board of Trustees shall be entitled to one (1) vote upon each matter submitted for a vote at the meeting.

SECTION 8. REMOTE ATTENDANCE. If a quorum of the members of the Board is physically present as required by Section 2.01 of the Open Meetings Act, 5 ICLS 120/2.01, the Board may allow a physically absent Trustee to attend the meeting by other means if the Trustee is prevented from physically attending because of personal illness or disability, employment purposes or the business of the public body, or a family or other emergency. However, no Trustee may attend a Board meeting by other means more than five times in any calendar year. "Other means," as used in these regulations, shall mean by video or audio conference. If a Trustee wishes to attend a meeting by other means, the Trustee must notify the recording secretary of the Library District before the meeting unless advance notice is impractical. A Trustee may participate by other means at either an open meeting or a closed meeting of the Board. Written minutes of all Board meetings, whether open or closed, shall include whether the Trustee was physically present or present by means of audio or video conference. As the first item of business, the Trustees who are physically in attendance at a Library Board meeting shall determine, by majority vote, whether a Trustee who is not physically in attendance may participate in that meeting by other means. After such a vote in favor of participation, the remote Trustee may vote on matters before the Board.

Absence without cause from all regular Board meetings for a period of one year shall be a basis for declaring a vacancy. Vacancies shall be filled by appointment by the remaining Trustees until the next regular library election, at which time a Trustee shall be elected for the remainder of the unexpired term. If, however, the vacancy occurs with less than 28 months remaining in the term, and if the vacancy occurs less than 88 days before the next regular scheduled election for this office, then the person so appointed shall serve the remainder of the unexpired term, and no election to fill the vacancy shall be held.

Bookmobile Ribbon Cutting

We had a wonderful bookmobile ribbon cutting event on Monday, June 7! A rainy day could not keep 40+ guests away, and we heard great speeches from our Board President, our Mayor, two State Senators, and one of our State Representatives.

RAILS Board Meeting

The RAILS Board of Directors met in May, and here are two key highlights.

– Budget

The RAILS Board approved the RAILS Budget for Fiscal Year 2022 (July 1, 2021 to June 30, 2022). The budget will be a deficit one (i.e. expenditures will exceed income) initially. The State Library advised that this is acceptable for this year.

– Statewide Database Proposal

The RAILS Board learned that the statewide database plan had been stuck in committee, so its future at this time is uncertain. This is a plan to create a statewide database service for every citizen of Illinois. Illinois is one of two states in our country that do not provide such access (Colorado is the other state).

– RAILS Election Update

The RAILS Board learned of the election results for the open seats on the RAILS Board. Karen Voitik, a trustee for the Shorewood-Troy Public Library District, was elected and will serve a 3-year term, and thus Pinnacle will continue to be well represented on the RAILS Board.

Restore Illinois Phase 5

The State plans to enter Phase 5 of the Restore Illinois on Friday, June 11. At this time, our understanding is that capacity limits and other restrictions will be lifted.

For us, Phase 5 will mean that we will be placing just about all of our furniture back on the public floors. Our Studio will resume walk-in service as well. Meeting Room B and the Board Room will once again be available for patron and staff use. Study Rooms will resume normal operations as well.

The Friends Book Cellar and Brooks Cafe will remain closed at this time. I will be sure to update you when we learn that those services and spaces will resume.

The Vortex will not be available right away. We plan to move some of the collection back into the Vortex and re-arrange the existing collections in front of the Vortex. Meeting Room C will serve as a staging area for some of this work.

Our plexiglass shields will be staying for now, and we will re-evaluate later.

Mask guidance will stay the same. Fully vaccinated staff and patrons will not be required to wear masks, though everyone is welcome to continue wearing masks if they wish to do so.

It's been a long road to get to Phase 5, and everyone has done a fabulous job navigating this past year and serving our community so well.

Agenda Items By Month

President Kalnicky, Vice President Bermejo, and I discussed having a calendar of standard agenda items by month readily available for the Board, and I have included it in the packet. Many of the items are in the months they need to be in order to meet external deadlines, but there is some flexibility. I would be happy to answer any questions you may have about them.

Deputy Director (Nancy Korczak)

Our Summer Adventure program has begun and has been greatly received by our community. We had 285 patrons register on the first day and 574 registrations by the end of the first week. We have received great feedback from patrons and many have mentioned how they really like this year's prizes. Our Studio and Adult Services staff have also worked hard this year to create small book nook scenes which patrons can find through the library, our first two have been incredibly popular.

This month I had the opportunity to take a digital class through Library Journal titled Designing for a Flexible Future. I was able to view great webinars on how libraries across the country are designing spaces for multi-use. Examples ranged from outdoor spaces with wifi access to large meeting spaces which easily converted to smaller study areas. It really highlighted the changing needs on how patrons use our space.

From Amina Ali's report

Circulation Services

Auto renewal of library materials began back in April and so far have been running smoothly. Circulation has been getting less calls to manually renew patron items since last year. With the auto renewal of library cards and going fines free as well, Circulation has streamlined to address patrons who have blocks and other library account issues. Our aim is to get almost every library account back into good standing and get new library card sign ups.

In May, LACONI hosted another "Circulation Catch-Up" titled *Fines Free during a Pandemic*. It was a great success, and other libraries shared what they currently do to offset the loss of fines income. We also opened the discussion to current events, one of which was the recent lifting of the Illinois mask mandate. The LACONI Circulation chapter will start planning for fall programs during the summer.

On May 7, Circulation staff also made up a majority of the Reaching Forward attendees from Fountaindale, which staff enjoyed being a part of.

Kate, Assistant Manager

This month I met with Melissa and Steven to discuss an idea I had to highlight our AMH system. Since the AMH has reopened on the patron side and we have many new patrons, I thought it would be a great idea to have a quick “how to” for returning materials. The reel turned out perfectly and it had over 2,000 views!

Outreach Overview and General Updates

May 2021 Statistics Snapshot:

- 2255 students were provided with virtual booktalks by Mrs. C
- 1,205 items were picked up from our remote bookdrops
- 561 reference questions were answered by Outreach staff
- 408 kids were provided with a storytime/ puppet show by Miss Laura

During the month of May, the Outreach team was busy transitioning services into the new Bookmobile. We organized the shelves and materials inside the Bookmobile, spent time learning about the Odyne system, communicated with Summit Bodyworks and local vendors about repairs and maintenance of the vehicles, and received training from our IT Department on the use of Bookmobile equipment, such as laptops and TVs. Tana wrote a [blog post](#) introducing the new Bookmobile to the community.

Jack acquired his class C driver's license, becoming the newest Bookmobile driver. Congratulations, Jack!

We plan to put the new Bookmobile in use in June with the Cavalcade of Planes being our first event. We have a busy summer ahead with the formal Ribbon Cutting Ceremony for the new Bookmobile in June, and then, the reveal of the Bookmobile to the community in July. We also have planned and prepared for several Bookmobile events, Park District summer concerts, Wednesdays at Winston Woods programs with three virtual and three in-person MOPs shows and two outside performers. Tana and Carolyn have been planning several pop-up Bookmobile stops to introduce the Bookmobile to the community. Some of the locations are: The Promenade of Bolingbrook, Culver's, several elementary schools and local parks. Carolyn began working on a "Spot the Bookmobile" program that will debut in the Fall.

Services for Preschools

Laura had a successful Virtual Preschool Round Up with several patrons completing the survey and sending positive feedback to Laura, which will help her with future planning. The blog post had more than 250 views - quite impressive!

Services for Schools

During her booktalks, Cindy promoted Kindness Day, Take It and Make It, DIY Tween box kits, Travel Bags, and many more. More than 20 students participated in the Rave Review program. Cindy also worked on her displays at CSD.

Services for Adults/ Seniors

McKayla

This month, McKayla and Patrick completed final edits for Peggy Danhof's retirement video. They filmed interviews with all the board members about their memories with Peggy and edited it into a 10-minute video. McKayla has also worked her way through the Graphic Design Foundations course taught by Ina Saltz on LinkedIn Learning. Saltz is an excellent instructor who is enthusiastic about graphic design and gives loads of real-world examples when explaining typography terms. McKayla has also been working with Monica on filming and editing tutorial videos for our new embroidery machine. She is also creating the June display, which will be all about roses. June is the month of the rose because that is when they bloom. She suggests gardening and photography tips for capturing the beauty of the blooms.

Patrick

Early in the month, Patrick captured and recorded the first four parts of the iMovie Niche training videos. He aims to have the training wholly edited and uploaded to Niche by the end of June. He and McKayla finished the Peggy Danhof retirement video and delivered that to communications before the Trustee Board Meeting. In the middle of the month, the Prusa MK3S+ kit arrived, and Patrick spent several days assembling the basic kit. So far, the printer has surpassed expectations, printing quick, very smooth 3D models. The quality of the prints on the removable magnetic plate led Patrick to recommend the Studio get one for the CR-10 as well. He is currently preparing a queue for parts to print before adding the MMU2s, the multi-material upgrade, to the printer. Additionally, he updated the Cura/3D Printing niche training, lowering the quiz questions to 5. He met with the Vinyl Task Force again, where they discussed final plans for the collection, blog, and promo ideas, and shared a second video Patrick prepared for Instareels to debut the day the vinyl collection goes live.

Ariah

In May, Ariah set up the wall display for the first time. After doing research, she discovered that it was National Photography Month and Personal History Month. She highlighted the library's Genealogy club and resources. She also showcased photography LinkedIn Learning courses. Besides that, Ariah has largely been preparing for her

programs coming up in mid June. To prepare, she has been watching various youtube videos about outdoor photography techniques and InDesign. She completed the “Designing a Resume in InDesign” by Steve Harris in LinkedIn Learning to prepare for her class on the subject. Ariaiah has also been exploring the 3D printer a bit more this month. She helped a patron see a multi-piece print through, and is now more comfortable with the 3D printing process and troubleshooting any issues with the CR-10. Lastly, Ariaiah completed her 90 day review with Adriana and Jack this month.

Adriana

In May Adriana worked on a variety of projects. She put together the paperwork and images for the upcoming equipment auction. Adriana also worked on and edited the May K-talk and Budget Portrait photography videos. Adriana had the opportunity to meet our new board members and take their portraits that will be displayed in front of Administration. Throughout May Adriana hosted the zoom programs and assisted staff as they taught the various programs scheduled. The Studio received a variety of equipment in May Adriana coordinated with staff to tag and kit the equipment and also added to our equipment spreadsheet for Collection Services.

The Maker lab recently underwent an upgrade in a variety of machines. Adriana coordinated with staff to generate new virtual training for each machine. Late in May Adriana spent time reviewing the courses ensuring staff made adjustments where necessary. The two new courses for the Sparrow X2 and Silhouette Vinyl Cameo are now live and available to patrons.

Adriana also continued to attend and participate in the programming, collection usage, and summer adventure committees.

Jack

In May, Jack reached out to Glowforge to get information on their laser cutter. He did a virtual orientation and talked to one of their representatives to ensure he understood what the machine could do. Afterward, he went to the Aurora public library to see and try it out for himself. Jack also began to reach out to local creatives from the surrounding area who work in multimedia fields. He intends to show what it is like to work with the applications available in the Studio. So far, he has reached out to a photographer, application designer, publisher, and audio engineer.

Alongside Adriana, Jack took part of the month to prepare the Studio and team for Illinois Phase 5 and complete inventory check to order end-of-the-year materials to restock for summer and fall events.

Adult and Teen Services

General Comments on the Month

May continued to be a month of recruiting and staff training, as we conducted interviews for two vacant positions and completed the onboarding process for the newest hire. Amber R. has completed her orientation checklist and has completed several solo shifts at the Vortex, 2nd Floor Desk, and 3rd Floor Reference Desk. Our new staff are looking forward to completing in-depth safety training and Studio 300 video training classes. As most of our staff are out of date with First Aid and CPR certification, we look forward to the opportunity to attend these sessions when they become available with the goal to ensure as many of our staff are certified within our department.

Randi C. met one-on-one with our new staff members for Summer Adventure Orientation. She also scheduled sessions with current team members to address any questions or concerns using the BeanStack software. Most of our department is planning to participate in the library staff adventure program, as this is usually a great opportunity to add new and interesting book recommendations and blog posts to the library's website.

Teen Virtual Programming

Teen "Among Us" Digital Escape Room

Before he left for full-time employment, Adult & Teen Services Specialist Brad planned to create and present a digital escape room. Adult & Teen Services Specialist Ben Jansen took the lead on this project and created a wonderful digital escape room based on the game "Among Us". Teens could access the game through our website and followed along to solve the various puzzles. We had 15 teens participate. These teens were entered into a random drawing for a \$10 Domino's gift card. The winner has been contacted.

Craft on the Go: Take It, Make It Kits

We are bringing back our popular Craft on the Go projects for teens in grades 6–12. Each month, teens can stop by the 2nd Floor Service Desk or the Vortex table to pick up one of our Take-It Make-It kits, while supplies last! Each kit contains materials, instructions and a list of supplies needed to complete your craft. Some kits will have an instructional video available on our YouTube channel.

Computer Classes:

Christopher completed a new Microsoft Word video for our YouTube page. He will release a new class for the page in June and we have more staff members signed up to create one video class per month.

Swedish Death Cleaning (5/6)

12 Attendees/33 views in 3 days

For this event, I invited Jeanne Roppolo back for her presentation of "Swedish Death Cleaning". This is a pretty interesting event that looks at cleaning your home to ensure that the items that you are leaving behind at the end of your life are truly the items you want your loved ones to have.

Swedish Death Cleaning has been a topic that has been gaining in popularity, despite the rather morbid way of thinking of it. Jeanne was compelling on the topic, but I will have to say that she often worked more through anecdote than what she would have on her PowerPoint. I would think that patrons would want more specific details about the process itself, instead of how the presenter had examples of people who were working through the process of "Death Cleaning".

From Nutrition to Sleep (5/15)

5 Attendees

Initially, this was a program that was set up by our Business Librarian, Jay Purrazzo. We had received a request to present that had caught his attention and he asked if he could coordinate it. Unfortunately, the date of the presentation fell on a weekend that Jay was not in-house, so I offered to host the program for him.

The overall presentation had quite a bit of information focusing on different avenues of a person's overall health. Nutrition and proper sleep hygiene were the main focuses of the presentation due to how influential those particular factors are in a person's life. Dr. Pamudurthy, who is a Doctor of Osteopathy, is an effective presenter and even with the digital format seemed comfortable presenting.

Early in the month, a senior patron who had recently returned to school needed help getting some documents sent out to complete her semester. While I was assisting her, she told me that the previous day, Becca had helped her at length to prepare the documents, and offered effusive praise at the service that she and I offered when she really needed the help. After we got her documents sorted, the patron, Becca, and I had a short conversation about how school was going for her, and wished her well. Not only did we assist her with her issues, but it seems like the chat with us really made her day.

Children's Services

Monthly Overview of Children's Services:

Rain did not stop us from celebrating Kindness Day with the community, and the results of our efforts were featured on ABC 7 news. We hosted our first in-person programs outdoors and welcomed back several happy families. We also celebrated diversity in children's literature with our Inspirations and *Rick Riordan Presents* kits, an abundant display of Eid books and a beautiful Asian American Heritage Month display.

COLORS CHA! CHA! CHA! (19)

In our last outdoor program for the month, Andreea led families in a paint-to-music activity. The windy day made this program extra messy, but families did not let it stop them from having a great time.

LET'S CREATE: Bubble Painting (16)

"Really hot but so much fun. It was so fun to finally have an in-person program. The patrons, too, were excited to finally be back in person. I was smiling from ear to ear under my mask! It was a little windy, but the kids still had fun and made some fantastic art on the paper and on themselves!" *Chris Z.*

CURSIVE WORKSHOP (YouTube, 10 kits)

<https://youtu.be/iyEOvflfBvY>

"Planning the Cursive Workshop was very fun. I have never taught anyone how to write in cursive before, but I do believe it is an important skill. In the kit, I provided three fun activities that will be a great starting point. The first activity was a pre-writing line packet. The second activity was alphabet letter tracing. I made copies of the uppercase and lowercase letters on a transparency sheet that the children could trace over with a dry erase marker. For the third activity, each child received a packet with many different words that they can practice writing. I also threw in some fun toys from our prize drawer to make the bags a little extra fun." *Marta M.*

KINDNESS DAY

We partnered with the community to celebrate Kindness Day 2021! This year we launched the very first Kindness Day eBook, featuring stories written and illustrated by students in the community. We gave away 200 Kindness Day Kits that included crafts and activities promoting kindness as well as free gifts from community partners. We also hosted a number of special guests including Mayor Mary Alexander-Basta and several Village Trustees and a 3-year-old "Cancer Warrior" who participated in Kindness Day as part of his day of Make-a-Wish activities. Our event was featured on ABC 7 News!

Building Operations (Tasos Priovolos)

Our cubicle project was successfully completed. This project included a complete reorganizing of the Collection Services workroom and adding glass on cubicles in other workrooms. The Collection Services reorganization provided this department the ability to have all staff work in the same workroom and have the desk space needed for their workflow. This project involved adding electric and data to the workroom, adding shelving against the walls, and patch/paint the room. We are currently working with our cubicle vendor for estimating and completing a few punch-list items which came up during the construction.

Our public elevator hydraulic pumps were removed and sent out to be serviced and resealed. Both pumps had a small leak of hydraulic fluid at the main pumps. This work was covered under our current elevator contract.

Our parking lot was crack-filled, seal coated, and re-stripped. This was completed as part of our on-going parking lot maintenance. Bollards and fire hydrants will be painted soon.

We completed our annual fire alarm inspection. This inspection verified proper operation of all fire alarm peripherals including pull stations, control panels, etc.

We completed our annual state mandated elevator inspections. This inspection is supervised by a representative of the state to assure the elevators are safe to operate and all safety features are in working order.

Travelers Insurance completed a walk-thru of our building and checked for any safety concerns. They recommended creating procedures to cover safety of our fire protection system and when contractors use open flame or electric welders during their work in our mechanical areas. We will be reviewing all of their recommendations and work on creating the needed procedures.

Worked with Tria Architecture to finalize the drawings and requirements for the changes in the Lower Level rear hall. Two doors in the rear hall will need to be repositioned due to current emergency egress and ADA requirements. Public bid was published and a pre-bid conference was held for contractors that are interested in bidding. Bid opening will be held in the beginning of June.

Security Report From John Hopkins (Security Supervisor)

Staffing

Alec Carlson joined the security team, bringing both his sunny disposition and experience working effectively with Bolingbrook teens and tweens. We look forward to working with him as he learns how our team supports the library's mission.

Interviews for the one remaining part-time vacancy have continued and we expect to fill that position soon.

Staff Safety Training

Security Supervisor John Hopkins held two staff safety training sessions in Meeting Room A during May to accommodate as many staff to attend as possible. Most recently-hired staff members were able to attend, and several other staff were able to join for refresher training.

Hopkins is continuing to refine the slideshow he created to increase the retention of the safety training material. While no topics have been excluded from the safety training session, adding visual aids and evaluating carefully the order in which the topics are presented seems to be helping pace the training sessions, which cover material that alternates between dull (how to use a walkie-talkie) and intense (such as active shooter awareness) with almost no middle ground.

With the recent, beneficial streamlining of several emergency procedures, such as building evacuation, Hopkins required less time to explain these procedures and gained some leeway to elaborate on policy enforcement procedures, and report writing tips.

Bridge to Phase 5

Following CDC guidelines to no longer require vaccinated patrons to wear face coverings, the security team has shifted its focus at the lobby podium to reflect these changes. We have not been keeping count of the number of patrons in the building as of this change either, as even during the most restrictive occupancy constraints (197), and the highest noted occupancy levels since reopening (during early voting for the general election last fall) we never exceeded 100 patrons at a given time.

The podium will remain in the lobby indefinitely, however, as it has been noted that there are benefits to this security post beyond mask enforcement and tallying patron occupancy. Greeting patrons as they enter the library, and helping Circulation staff field questions have enabled our team to get, as Ryan Dowd calls it, “pennies in the cup.”

Collection Services Department Workroom Remodel

For several months, we have been preparing for a remodel of the Collection Services workroom. Tasos and I developed a layout that accomplishes key functions to optimize department workflows and improve safety. This includes physically grouping staff together into their respective divisions: Acquisitions/Processing, Selection and Cataloging, so that each division supervisor sits near the staff they supervise. The new workroom design also facilitates a better workflow and enables Acquisitions and Cataloging staff to utilize the vertical space and shelving along the walls, as well as a dedicated area for incoming and outgoing shipments. The reconfigured workspaces equipped with new partitions and frosted glass provides more safety, focus, privacy and a sense of staff's own personal space. Most importantly, the layout allows for all of my department staff to be housed in our workroom at once and have a genuine workspace. Implementing this design required the desks to be slightly reduced and completely reconfigured. We're also still in the process of installing shelving along almost every available wall. Leading up to the major cubicle work, my staff dedicated time to clean and purge unnecessary items from the workroom and diligently organized their desks and files. For sixteen days, my staff were relocated to three different temporary spaces within the library. Staff were required to pack up everything from their desks and empty the entire workroom of collection materials, supplies, weeded items, carts, filing cabinets, chairs and even recycle bins. While they were displaced, hired workers reconfigured the cubicles, erected the glass participations, patched and painted the walls of our workroom.

Despite sixteen days of displacement, my staff **continued to provide our patrons** with **3,618 new collection materials**, **320 interlibrary loans** and **responded to over 100 patron requests** in the month of May. I am very appreciative for my staff's flexibility, patience, hard work and positive attitudes throughout this process. I am also grateful to our Director Paul Mills and the Library Board for approving the remodel. Additionally, I want to thank Tasos Prioivos, John Hodur and our IT department for all of their help to make this happen.

Collection Services Staff Updates

From Lynnette Hopwood, *Adult Collection Librarian*

Our collection [weeding and maintenance] statistics continue to improve each month with our emphasis on removing items that have not gone out in three years. We are also removing outdated informational books and replacing them with updated items. CollectionHQ has decided to retroactively suppress all materials that were purchased while we were closed to the public (or less than 75% capacity) from our Dead On Arrival statistics. This has helped tremendously. I am anxiously awaiting the workroom completion. I am very excited to be moving to a desk instead of stuck in a corner. Our departmental staff will be all in one room in June, and everyone will have a desk with a desktop computer! Our manager, Christina has worked hard to see this come to fruition. I appreciate everyone's hard work and perseverance while the changes were being completed. The staff members who were in Meeting Room B were able to move into the meeting room and then back into the new workroom in 20 minutes each time!

From Brett Luminais, *Children's Collection Librarian*

This month's work focus was on spending down the budget fundlines so they can be zeroed out. All Juvenile Main Branch and Outreach fundlines were spent down to between 96% and 99%, putting us in an excellent position for the fiscal year rollover in the next two months. I also spent time preparing for the new YA selection material responsibilities I will be taking on in the new year. To do this, I attended meetings with colleagues in ATSD. I reviewed teen items in the collection to familiarize myself with the current collection. Additionally, I began selecting materials and building carts with popular teen materials, such as Nic Stone titles to prepare for her visit in September.

From Chris Castle, *Cataloging Supervisor*

During May, I cataloged a total of 162 vinyl records for the starter collection, 51 of which required original cataloging. Vinyl cataloging will continue into June. I also finalized the procedures for vinyl cataloging to be approved by PinTech this month. Additionally, the new stat code "Adult Music Vinyl" was created to differentiate vinyls from music CDs. Music CDs now receive the new stat codes "Adult Music CD," "Juvenile Music CD," or "Young Adult Music CD." I recataloged the genres American, Big Band, Folk, Reggae, Opera, and Vocal into other current genres such as Classical and Rock for easier access to these materials. Reggae became a subgenre of World, now with call number prefixes WORLD REGGAE, where Reggae is used in place of the country of origin of the music. Polka CDs were similarly recataloged. The total number of recataloged CDs from these eliminated genres was 130. Additionally, Jazz Instrumental and Jazz Vocal were combined to form one Jazz genre with genre prefix JAZZ. At the monthly Selectors meeting, Lucky Day items were discussed. Since we are changing vendors for our AV Lucky Day materials, and the current stat codes of "Leased Book" and "Leased Movies and TV" will not be accurate, new stat code options were discussed. I presented several options, and also brought up Lucky Day call numbers. Decisions on these topics will be forthcoming. I coordinated with Jake and his team to create a consistent schedule of backup Collections staff to process the daily newspapers in the case the regularly scheduled staff member is not in that day. I was interviewed by an LTA candidate from College of DuPage this month concerning a tech services interview assignment. This involved learning the day-to-day operations and systems used in the tech services department of a particular library. This student lives in Bolingbrook, so decided to contact her home library of Fountaindale for this assignment. I met with her virtually and walked her through the path of a new book as it makes its way through the department, describing the roles of each staff member along the way. Karina and I finished cataloging the awards books at the beginning of the month. I coordinated with Jake to get them processed, then coordinated with Brett to get them all put on the

Award Books display on May 5th. At the end of the month, renovations on the Collections workroom began. The cataloging team and I temporarily set up in the Board Room so we could continue our daily activities. Karina focused on cataloging as much as possible. They helped rearrange items on carts so that we could condense the amount moved in and out of the workroom while we were relocating. They continued to keep up with cataloging holds, dated items, and other priority items, while still cataloging backlog items. I also filled in checking in magazines this month while our periodicals specialist had some time off.

From Karina Andrus, *Cataloger*

This month, my workstation was moved to the board room while construction work took place in the collections work room, then I moved back to my new cubicle on June 1st. With the construction of the new work room, I focused on cataloging as much as possible. I helped rearrange items on carts so that we could condense the amount moved in and out of the workroom while we were relocating. I continued to keep up with cataloging holds, dated items, and other priority items, while still cataloging backlog items.

From Jacob Luce, *Acquisitions Supervisor*

For the month of May I continued to process invoices and process the various carts of materials for our collection provided to me by our Collection Librarians. Throughout the month we have received and process more of the Outreach Opening Day collection. The vinyl records for our new vinyl collection are in the last stages of processing by the Cataloger's and Acquisition's Team. Along with the circulation of the vinyl records we are also circulating portable vinyl record players, these are cataloged in Polaris and are in the final stages of processing. The backpacks that were processed by the Acquisition's team were made available to our patrons on June 1st, to coincide with the summer reading kick off. Last, we have finally made the move into our newly renovated Collections Department. The renovation was a much needed change to improve the workflow of the room. I have been looking forward to moving back into our department and being in the same area with all of my co-workers again.

From Christine Jason, *Interlibrary Loan Specialist*

Interlibrary Loan remained active with the large number of returns I had, especially at the beginning of the month. I continued to work on the Hold Not Owned Reports, converting holds into ILL requests. I did have quite a number of requests that were for the recently pulled Dr. Seuss titles. In these cases, I notified the patron that we are not able to fill their hold and that due to the material, we are unable to Interlibrary Loan such titles. The last few months, I have noticed ILL requests for materials that are owned (and on shelf) in Pinnacle. For example, I had a request for Black Panther. If I question any request or I see a large number of libraries own a title in WorldShare, I check the catalog. Finally, our desks and workspace were remodeled. Christina sent us some pictures for a sneak peek and I love how it looks. I am very anxious to "move in".

Finance (Jennie Nguyen)

- **Working Budget:** This month, I completed the draft for the 2021/2022 District Working Budget. It has been passed on to the Executive Director for review and adjustments. When all of the numbers are adjusted and finalized, an updated draft will go to the Board in June for approval. In addition, I completed the Other Income Sources worksheet estimate for 2021/2022.
- **Konica Minolta:** Konica Minolta, our copier leasing company, recently had a billing system update which changed their billing parameter. This had caused some billing errors which resulted in multiple maintenance invoices being issued for January, February, and March 2021. We were able to get in contact with a representative to confirm what had happened. It appears that they had billing issues beginning in 2021 whereby their system was charging a tenth of what it should have been. Allyse and Marlen worked together to piece together the invoices which they determined were duplicates due to some rebilling, on Konica part. A spreadsheet was created to help reconcile all of the invoices. The credit memos were requested in order for the invoices to be processed in our system and paid out.
- **Financial Institution Account Update:** With the recent changes in the Board of Trustees' members and officers, I had started the process of obtaining the necessary documents from all of our bank and investment institutions in order to update the authorized personnel information.

- **WebPurchasing System:** Blackbaud recently had an update to their purchasing software which affected the user login section. After reviewing the update information, all of the users on our account were notified by Finance to reset their password which would correct the login issue.
- **Budget Adjustments Deadline:** In preparation for the upcoming FY2021 audit in August, a deadline was set for adjustment to the FY2021 working budget. This will allow the closing of the fiscal year to be finalized and reports to be completed for the auditors.
- **Bid Publication:** The bid publication for the lower level renovation was advertised in the Bugle newspaper.
