### Download the KinderCare App today!

Ever wonder what your little learner does all day? The KinderCare App allows you to send messages to your Center Director, download pictures and videos, and get a Daily Report—all in one convenient, secure location.

We know Day 1 at the center is an exciting time. You can be even more prepared by downloading the KinderCare App today. Here's how:

1. Download the app on your iPhone or Android.  
 
2. Look for an email on Day 1 with your registration instructions.
3. Personalize your settings. Add family and friends to your "Crew," manage your notifications, and more.
4. Enjoy photos and updates from your center on your child's very first day!

**Talk to your Center Director for more information.**  
**Available for both Android and iPhone.**
