

# SUMMER ADVENTURE: PATRON INSTRUCTIONS

## HOW TO REGISTER

**STEP ONE:** Visit [fountaindale.org/summeradventure](https://fountaindale.org/summeradventure) and click on the register/login button. This will take you to the READsquared website. Now, click the Register button in the top right corner.

**STEP TWO:** Enter your information.

- First, select whether you're registering just yourself or creating a family account with other people. Family accounts will have a primary user and readers on the same account. Everyone can participate.
- Then, select your age group from the drop-down menu. The system will automatically add you to the correct program depending on the age you select.
- Enter your name, contact information, Fountaindale Library card number and PIN.
- If you selected to register other readers at the start, the system will now prompt you to add those additional people. Add as many readers as you need to.
- **NOTE:** You don't need to add additional library cards or PINs. You can use one card and PIN for everyone on this account.
