

GREAT READING RACE

Read to win books for your school library media center and classroom! Students in grades 6–8 that log their reading will be entered into drawings to win prizes and will earn vouchers from local restaurants, while supplies last. The top classroom at three Bolingbrook middle schools will win a gift card for a pizza party and a collection of paperback books.

Students should log reading completed during the program, **September 13–October 25**. Record minutes read during independent reading time at home and at school. Classroom read-alouds or stories read as a class can also be logged for this program.

Register and log online at fountaindale.org/grr, or complete this paper entry form and return it to your teacher or to Vortex staff at Fountaindale Public Library. Completed logs can also be scanned and emailed to fountaindaleteen@fountaindale.org.
