

**Fountaindale Public Library District (FPLD) Computer Request for Proposals 2021
Questions and Answers**

1. **Q) Will you accept other manufactures such as Dell or Lenovo?**
A) No

2. **Q) If you have standard document or pattern to respond to this bid?**
A) No, other than what is stated on page 2 of the RFP; *Proposals must be submitted for all of the PC hardware and accessories listed on page 1 of this RFP. Proposals must include costs for each model of computer and specified accessories as well as a total cost and shipping (if any). All guarantees and warranties should be stated in writing and submitted as part of the proposal. Proposals must be held firm for 60 days. Delivery of all PC hardware and accessories must be accomplished within 60 days of award. Proposals must identify any items or specifications that would preclude delivery within this 60-day timeframe.*

3. **Q) Are you accepting proposals for any alternate brands with same specs as mentioned in the bid?**
A) No

4. **Q) Please confirm your shipping and billing address so we can quote accordingly.**
A) shipping and billing address;
Fountaindale Public Library District
300 W Briarcliff Rd
Bolingbrook, IL 60440

5. **Q) regarding the HP Elitedesk 800 G6. The HDMI flex port will need to be installed by somebody over there or the installation service can be done for a fee. Would you just need the part and install yourself or will you be requesting the installation for these?**
A) The HP Elitedesk 800 G6 is to be provided with all listed components already installed.

6. **Q) On your website I only see one bid for computer devices. Yet I was informed that indeed there are 2 bids out : Please advise – is there just one or are there 2?**
A) The [Fountaindale website](#) is accurate. There is one RFP for computers and accessories at this time.
