

Fountaindale Public Library

Fire Tablet User Guide

Fountaindale Public Library hopes you enjoy the reading services provided on the Fire Tablet. Please do not remove any apps or content. Do not enter or leave personal credit card information logged into any apps or accounts.

For any content-related concerns, please visit our website for the Collection Management Policy or request a copy upon your return of the Fire Tablet.

Thank you, and enjoy your experience.

What's Included:

- Amazon Fire Tablet
- AC Adaptor
- USB Cable
- Amazon Fire Cover
- Carrying Case
- Quick start guide

Setup:

Step 1: Press the button on the top, right corner to power on the device.

Setup:

Step 2. Unlock the screen by swiping up.

Setup:

Step 3: Open your favorite reading app or the built-in library of books.

Setup:

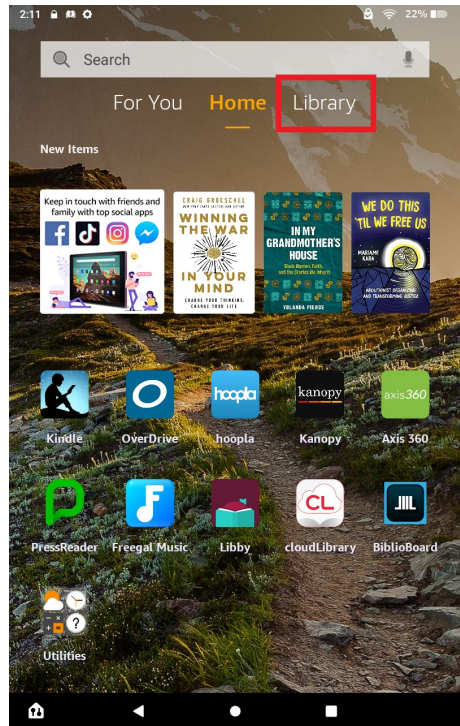

Step 4: To charge, please connect the charging cable to the top of the Fire Tablet.

Accessing the Built-In Library:

All Fire tablets come preloaded with a collection of eBooks already available to be read.

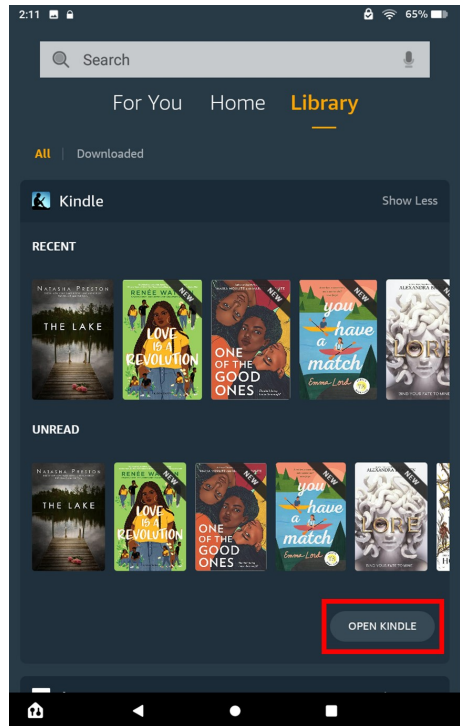

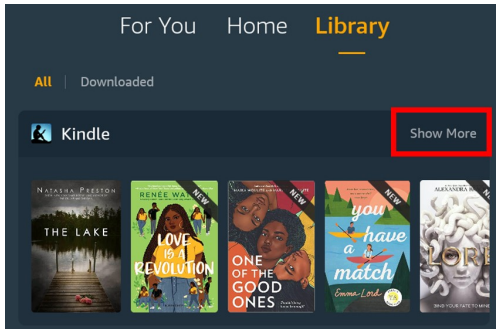

To access this collection, start up the Fire Tablet and select “Library” from the top toolbar on the home screen. This will display the collection of available eBooks.

Accessing the Built-In Library:

You will only be able to see a few items in the built-in library collection.

To see all available eBooks, tap “Show More” and then “OPEN KINDLE”.

Accessing the Built-In Library:

On this screen, you will be able to view the entire built-in library collection, and you will have the option to sort or filter books based on your preference.

Then browse the collection, select your desired title and enjoy!

Accessibility Functions:

The Fire Tablet provides accessibility functions for the visually impaired, including a VoiceView Screen Reader.

While this function is turned on, the tablet will read aloud whatever was last touched on screen. To open or confirm a selection on screen, the user must double tap that same selection.

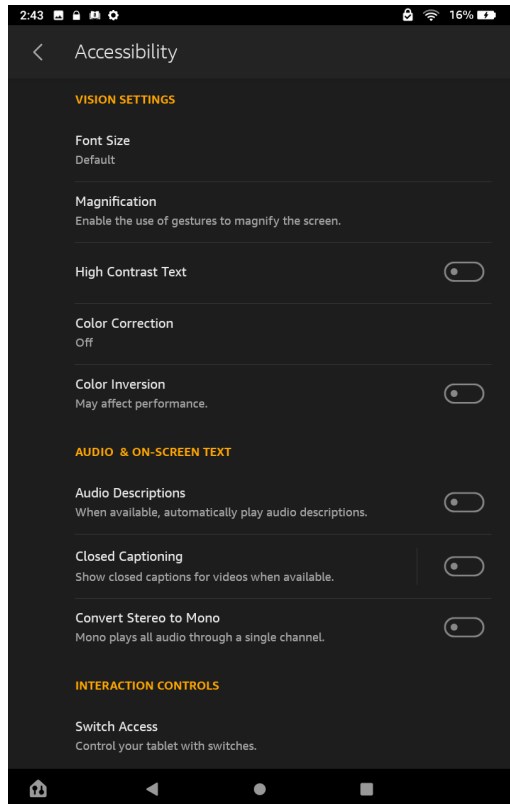

Accessibility Functions:

The Fire Tablet also provides screen magnification to allow the user to zoom in.

You may adjust the font size or color inversion to make reading more comfortable for the eyes.

Closed Captioning for videos is also available.
